"Whānau tupu ngātaihi – families growing together"

Good for your child...

Watch your child's confidence grow as they explore and foster their imagination through play and interaction with other children aged 0-6.

From building sandcastles to baking biscuits, painting to singing, working with wood to cutting shapes in playdough: every session will captivate your child and excite them.

...and good for you

Be involved with your child's learning; play with them and alongside them. Encourage children to interact with others while you meet other parents and educators and become part of a fun, vibrant community where community and a sense of belonging is at the heart of everything we do.
