

Email Signature Instructions For Playcentres

We are updating our email signatures. The new email signatures now feature our new name Playcentre Aotearoa and tie in with our current branding. Importantly, the new email signatures use both Māori and English.

Please see below for the instructions and template.

Instructions for setting up email signatures

In Office 365

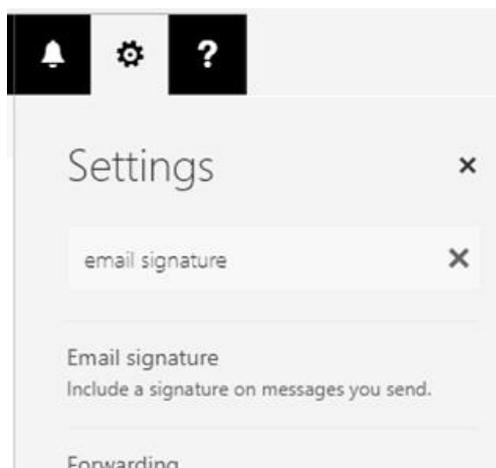

Click on **Mail**

Click on **settings symbol** (little gear cog image) top right-hand side of the black Outlook bar.

A **search box** will open – type in the words ‘email signature’.

A list of topics will appear with **email signature** as an option.

Click on **email signature** and a box will open. Into this box, **copy and paste the email template** from the body of this email.

Update this signature with your **personalised details** and **select save**.

Tick the option above to ‘**Auto include on new messages and to auto include on reply to**’.

In Outlook (web version)

Go to **Tools**.

Choose **Options**.

Then **Mail Format**.

Followed by **Stationery and Fonts**.

Then **Email signature**.

Click **NEW** and give your signature a name. (Choose which to be default if you set up more than one).

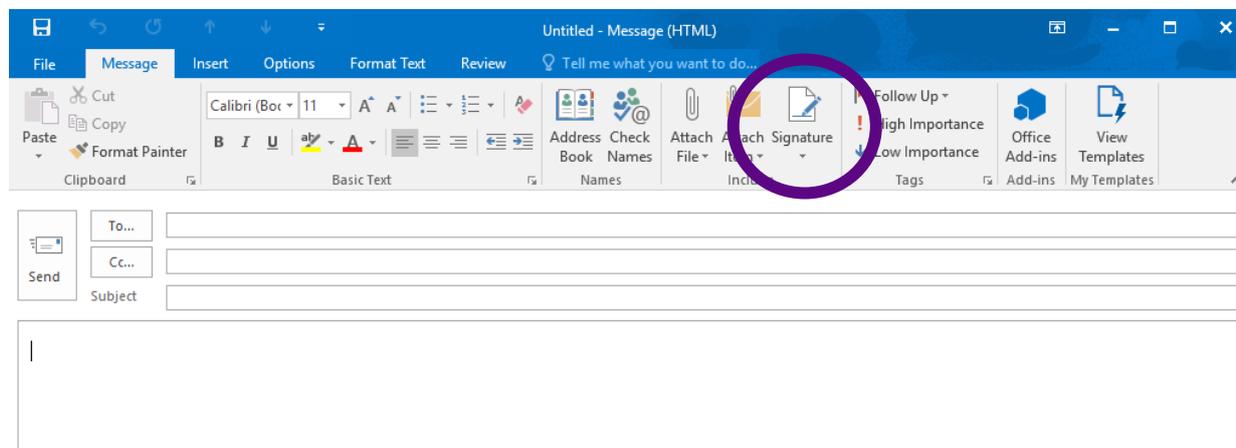

In the box ‘edit signature’ **copy and paste the email template** from the body of this email.

Then **update** this signature with your **personalised details** and **select save**.

Tick the option above to ‘**Auto include on new messages and to auto include on reply to**’.

In Outlook (Shortcut)

Select **New Email**.

Select the option **Signatures...**

Update this signature with your **personalised details**.

Select **save** and **OK**.

Note

The image should pull through automatically. If it doesn't, please find attached to this email the image file.

Select this icon. Select your **image file** from the selection below and select **insert**.

To **hyperlink the website** text, select this icon. Enter the web address into box labelled **Web Address (URL)**. The text to display should already display www.playcentre.org.nz and then select **OK**.

Message Format (optional extra)

In the email signature option underneath inserting your new email signature you can select your message format so that it is consistent when you reply to messages.

Please select to compose messages in HTML format and set the font - **Calibri Light Size 12** as the image depicts below.

Message format

Choose whether to display the From and Bcc lines when you're composing a message.

Always show Bcc

Always show From

Compose messages in HTML format

Calibri Light 12pt **B** *I* U A

Messages you write will look like this by default.

You can also change the format of your messages in the new message window.

Note

We would like to remind everyone to use Māori macrons. The Māori Dictionary (www.maoridictionary.co.nz) is our preferred resource for referencing Māori words.
