Education (Early Childhood Services) Regulations 2008

Licensing Criteria for Centre-Based Education and Care Services (as amended May 2016), HS28 – HS29

HS28: Medicine (prescription and non-prescription) is not given to a child unless it is given:

- by a doctor or ambulance personnel in an emergency; or
- by the parent of the child; or
- with the written authority (appropriate to the category of medicine) of a parent.

Medicines are stored safely and appropriately, and are disposed of, or sent home with a parent (if supplied in relation to a specific child) after the specified time.

HS29: Adults who administer medicine to children (other than their own) are provided with information and/or training relevant to the task.
