Sudima Hotel – Christchurch Airport Information

24/7 COMPLIMENTARY AIRPORT TRANSFER SHUTTLE

Our complimentary airport shuttle is available on a on-demand basis, 24 hours daily. When you land at the airport terminal, make your way towards the Visitor Information desk on ground floor. Nearby the information desk is the Accommodation Directory Board. Simply use the freephone and DIAL 27 and let us know you have arrived.

Exit the airport through the doors on the right by the Accommodation Board and turn left. Walk along the footpath and wait just past the taxi stand. We will come and pick you up! It really is that easy.

Check-in & Out Times / Luggage Storage

Check-in time: 2pm Check-out time: 11am

If you wish to check out after this time it is \$20.00 per hour (including GST), or after 4:00 pm it is a full nights accommodation rate. Alternatively what we suggest and has proven popular with other guests is to check-out at the normal time of 11:00 am and utilise our luggage storage option for the day, which is free of charge.

Luggage Storage and Scale

Take advantage of our luggage scale. You can weigh all your luggage before you catch your flight so there's no un-wanted surprises.

We also offer luggage storage so should you stay be for transit or if for other reasons you have luggage you would like to store we can help you. This is also a popular option when you need to check-out but still have time to spare. Just simply check-out and leave your luggage safely with us while you do some sightseeing.
