

Find your village

Growing up is better when you have a village behind you.

Glorious mess

Getting messy is good for kids. Let them do it at Playcentre so you don't have to at home.

The gift of time

Come and enjoy time out at Playcentre while you spend time with your kids.

You can play too

Play is not just for kids. It's good for your soul. Come and have fun alongside your kids.

Your community

Everyone contributes in their own unique way to grow strong communities.

Playcentre is your village. See children delight in their surroundings – play with them, alongside them, encourage them to interact with others while you meet other parents and educators.

Parents are the first educators of children, and Playcentres around New Zealand foster the involvement of whānau through early childhood education from 0-6 years.

As a family, and as a community, you'll build your own village with Playcentre: making life-long friends along the way.
