- centres, rōpū Māori and the Trustee Board

2.0 Expectations of Delegates

We are seeking a consensus position plus negotiating room on each paper according to the *Tangata Tiriti* viewpoint and the *Tangata Whenua* viewpoint. The two perspectives may be different or the same.

Tangata Whenua delegates to National Meetings are expected to represent the views, via each paper, of the *whānau Māori* group, e.g. *Puriri Whakamaru*, and *whānau Māori* (where families wish to be identified as *Māori*) within their Centres.

Tangata Tiriti delegates to National Meetings are expected to represent the views, via each paper, of non-*Māori whānau* within their Centres.

Delegates are expected to seek clarification on papers from the authors PRIOR to National Meetings.
