

# Play dough

## Salt Ceramic Play dough

### Ingredients

- 1 ½ Cup Salt
- ¾ Cups Cornflour
- 1 Cup Water

### Method

Mix ingredients together in a pot then cook over a low heat stirring frequently  
Mix well – Knead dough immediately  
Makes enough for 3 or 4 children  
Leave for 36-48 hours to harden

## Sawdust Play dough

### Ingredients

- 4 Cups Clean untreated sawdust
- 1 Cup Wallpaper Paste (dry)
- 2 Cup Water

### Method

Mix ingredients together, might need more or less sawdust depending on texture  
Mix Well  
Will dry if left to set, time varies
