

# Charity tax exemption certificates

## Here is how to find if a Centre is a charity in their own right

1

Search your Centre name in the Charities register:

<https://www.register.charities.govt.nz/CharitiesRegister/Search>

2

Once you find your Centre name click on it and then on the Charity summary (first tab) you will see a picture of a blue Printer box on the right hand top – click on it to download their certificate.

*Use this to find information about a particular charity.*

3

If the Centre is not a Charity in its own right, then you can use Playcentre Aotearoa's Certificate – attached with an affiliation letter – which can be obtained from Nicky Duncan our Administrator.

4

Finally, if you happen to come across a Centre that has a charity number but has been struck off, please contact our CFO and we will get them re-instated.
