

Your Playcentre

Playcentre is community run space that provides a fun and supportive play and learning space.

We believe that parents are the first and best educators of their children and children learn best when they initiate their learning through play (Te Whāriki philosophy).

Our Playcentre is cooperatively run with a mix of funding from the Ministry of Education, grants, fundraising and whānau fees. Parents and wider whānau decide how their centre will run.

Days Open & Enrolment Fees

Portfolios

Our teacher will help and encourage each child to have a portfolio/scrapbook for keeping art, photos and learning stories in. This is both a fun keepsake for your children but also an important document to show we are spending our funding in a way that links to our curriculum (Te Whāriki) and our centre philosophy. We encourage parents to do 1-2 learning stories per term.

Our Vibe & Ideals

“Whānau tupu ngātahi – families growing together”

Learning naturally through exploration and play

Encouragement of all forms of creativity

Fostering healthy self esteem by supporting our tamariki to problem solve

Create a safe and happy learning environment

Encourage the use of Te Reo Māori

Include and respect all cultures. Difference is celebrated and embraced

Strive to be environmentally friendly, limiting the use of plastic and encourage using natural products

Teacher/Kaiako

Our centre employs an ECE supervisor whose role is to oversee the day to day running of the centre and to meet our funding requirements.

They are an experienced ECE teacher and a great resource so please use them for advice and help with your parenting/education journey.
