Teena Koutou Katoa

I am currently on the Te Whare Tikanga Maori Succession Plan after being shoulder tapped by a few people and nominated by another TWTM member at the 2020 Hui a Tau.

I started my playcentre journey in 2001 with my oldest child, and my youngest of our 4 children finished Playcentre at the end of Term 2 this year. I am still in centre as a session facilitator

Along my playcentre Journey I have held many roles at centre level including Bi-cultural officer and president for 3 years. I also helped implement a new management team structure at my centre which other playcentres around the country have utilised.

I have also been part of the Education team at association level. I was introduced to the national governance level in 2017 and have attended all the national meetings ever since. I have been part of the pre-amalgamation world and post amalgamation world both as a centre member and a rep for my Ropu and then for Te Poho O Puriri Whakamaru.

Covid has produced a barrier for us as a whare to meet kanohi ki te kanohi. However, over this time I have maintained relationships with many who I've met in our whare over the years because I believe relationships are important.

**I have working knowledge and experience in the areas of:** Project Planning and Management; Events Management; Promotions, Marketing and Sponsorship; Communications; Human Resources; Risk Management; Creating website content; Agriculture management; Hospitality Management

At the SGM we agreed to resolution 7 with the rider that TWTM honour the succession plan. I have no intention of putting my hand up for 2021 AGM and nominating myself as a Trustee Board member. I do not wish to push in front of the people already on the succession plan that I along with other members of our whare have put there. I do not wish to trample on the mana of those on it, It would not sit right with me if I did!

I am happy to sit in the succession plan pool and I am willing to support the board if the need arises as part of the emerging group.

Nga Mihi

Delyce Hill
