

Supervision requirements for standard funding 2022

What are the **minimum** combinations we need to have at our centre for standard funding?

Number of children on session	Minimum total adults	Minimum qualifications	Minimum first aiders
1-10	2	 + 	
11-15	3	 + 	
16-20	4	 + 	
21-25	5	 +  +  OR  + 	
26-30	6	 +  +  OR  + 	 

Conditions for Operating

- Ratio of 1 adult to 5 children.
- Best practice is minimum of 2 adults as First Aider (with current certificate as required by MoE) present for full session.
- Qualifications - Person Responsible holds C3 or above.

Course 2 is interchangeable for PIA in all of the above combinations for Standard Funding only.

While these are the minimum qualifications, we know that the more centre members who engage in the Adult Education programme, the better sessions are for our tamariki.
