

Welcome to  
our Village

Experience early childhood education with a difference; children and their families play and grow together.

Playcentre is a place for you and your child to play and grow together – to strengthen your bond and to make connections with other whānau in your community.

Whether you have a new baby, or you are new to a community, Playcentre provides a place for babies, young children and parents to come together. Members enjoy a strong sense of belonging, and friendships flourish.

Playcentre is a nationwide charity with 420 centres located throughout the country. At each centre you will find a supportive, fun and friendly environment for you and your child.

**You don't just watch your child grow.  
You grow with them.**

With over  
**420** centres  
throughout **Aotearoa**  
there is one near you.
