

# Annual Report 2021

V:

Te Whānau Tupu Ngātahi o Aotearoa <mark>Playce</mark>ntre Aotearoa

Playcentre Aotearoa's symbol was designed by Colin Simon, a Playcentre father and was adopted in 1973. The logo is complete when the additional lower circular text is added to give a full circle of text surrounding the central people component. The symbol is about all whānau: whānau cooperative, Playcentre whānau, community whānau, whānau of all cultures woven and blended into one, Playcentre, inclusive. The symbol is a visual representation of "Whānau tupu ngātahi – families growing together". Colin went on to design the symbol for the 1984 Commonwealth Games.

# About us

# **About Playcentre Aotearoa**

Te Whānau Tupu Ngātahi o Aotearoa - Playcentre Aotearoa (Playcentre) is a licenced early childhood education provider and charitable trust. It has a constitutional philosophy to empower whānau and tamariki to work, play, learn and grow together; while honouring Te Tiriti o Waitangi.

Individual Playcentres are co-operatively managed by parents and whanau with the support of their regional team, the national team and national Trustee Board.

#### How we formed

Playcentre began in 1941 in the Wellington suburb of Karori. From the start, each Playcentre was a community driven initiative, organised by parents, utilising existing premises and using parents as teachers.

#### Our commitment to the Treaty of Waitangi/ Te Tiriti o Waitangi.

Playcentre Aotearoa made a commitment to The Treaty of Waitangi in 1989 and to Te Tiriti o Waitangi in 1994 to ensure the sustainability of Te Ao Māori within the organisation.

Throughout this report Māori terms are used. All terms are defined in the glossary.

#### What is Playcentre Aotearoa?

There are 413 Playcentres operating around the country. These centres range in numbers from five members to 150 members and are located from Awanui Playcentre north of Kaitaia in Northland to Toi Tois Playcentre east of Bluff in Southland.

Playcentre Aotearoa operates in various capacities in order to deliver our services and achieve our goals set out in our mission statement.

We act as:

- a licensed early childhood education service (ECE), governed by the Education (Early Childhood Services) Regulations and Licensing Criteria;
- a community of families providing each other support and friendship as they raise their children through their early years;
- an advocate for the importance of parent involvement in their children's education and the importance of play in the early years;
- a Charitable Trust with a governing Constitution; and
- an NZQA registered provider, accredited and approved to deliver early childhood education courses registered on the NZQA framework to our parents and whānau.

### Our vision Whānau tupu ngātahi - families growing together

#### Our mission

#### Playcentre is a family organisation where:

- we empower adults and children to play, work, learn and grow together;
- we honour Te Tiriti o Waitangi and celebrate people's uniqueness; and
- we value and affirm parents as the first and best educators of their children so that whānau are strengthened and communities enriched.

#### 11

So many learning opportunities for child and parent, mum or dad or grandparent can go.

11

Build a village .... great way to get to know people in a new area.

# Message from Trustee Board

#### Tēnā koutou katoa,

On behalf of the board of Te Whānau Tupu Ngātahi o Aotearoa – Plavcentre Aotearoa we are pleased to present this annual report for the year ended 31 August 2021.

Resilience, perseverance and whanaungatanga were key themes during the 2020/21 financial year. The health and wellbeing of our communities was paramount as the resurgence of the COVID-19 pandemic and its effects were felt throughout Te Whānau Tupu Ngātahi o Aotearoa. "He aha te mea nui o te ao? He tangata! He tangata! He tangata!" is a whakatauki which has resonated during this year where we have all experienced the ongoing challenges of COVID-19, including local lockdowns, changes to alert levels and the continued economic and social ramifications of the global pandemic. We would like to take this opportunity to pay tribute to our members, volunteers and kaimahi for the resilience they have shown during 2020/21. The ongoing impacts of the pandemic have increased the strains and challenges on and within our communities. Together our people have risen to these challenges, doing their very best to support each other during these difficult times. We have seen and heard wonderful examples of whanau rallying together to support each other, the innovative ways in which they remained connected during lockdowns, and the warm reconnections after time apart.

Part way through the year Ruth Jones resigned from the Board to pursue other opportunities within the organisation. We are thankful to have had the wisdom and experience that Ruth brought to the board and wish her well in her future endeavours. The board was fortunate to have Michelle Hutton agree to step into the Co-President role in April 2021. A special mention must also go to Alaine Tamati-Aubrey and Gill Morgan who assisted the board at various times throughout the year. Their awhi was gratefully received. Continuity on the board was important to ensure that time and efficiencies were kept to an optimum so that tamariki, whānau, volunteers and kaimahi had a place to belong.

This report reflects the hard work and commitment of our member whānau, volunteers and kaimahi. In this report we share with you stories of success, both large and small, and insights into many aspects of our organisation which is present within many communities throughout Aotearoa.

As we look forward, we are confident that Playcentre will utilise the many new learnings which have arisen during the past year as we progress towards our strategic goals, whilst ensuring that our philosophy remains at the heart of everything we do.

Ngā mihi nui,

Avis Stewart, Michelle Hutton, Tiso Ross, Ranee Davies and Char Martin

We also acknowledge Ruth Jones who concluded her time on the Board in March 2021.

# Message from Acting General Manager

It gives me great pleasure as the Acting General Manager for Te Whānau Tupu Ngātahi o Aotearoa - Playcentre Aotearoa to present this report for the year ending 31 August 2021.

It is not possible to write this report without covering the impact of COVID-19 on our organisation. With Playcentre's higher parent: child ratios and the wide involvement of parents in the sessions at our centres, this has meant that we have faced unprecedented challenges due to COVID-19. Not only did this impact upon whanau who could not attend sessions but also introduced a high level of uncertainty about future enrolments for some centres.

During the year we employed several creative and innovative ways to support our tamariki and their whanau to maintain connections with the wider Playcentre community despite the many challenges we all faced. Nationally, the 'Virtual Village' we created online has continued to provide resources and ideas for whanau wishing to connect remotely and to support their tamariki to learn through play at home. Similarly, our education team responded by providing new online learning opportunities to enable our adult students to continue their studies and introduced a range of remote-based learning support to maintain the momentum of our parent education programme.

The organisational amalgamation is another key priority that has been impacted by COVID-19. Moving the amalgamation process and its intended benefits forward remains essential for the year ahead.

Financially our audited financial statements presented a positive picture across our group. Our total revenue grew by \$7.4m (39.8%) over the previous year to a total of \$26.1m, with the major increase coming from grants, donations, and fundraising revenue. A large part of this was a \$3.7m grant from the Government which was provided in recognition of the impact of COVID-19

on our ability to generate revenue. We are very grateful for the support of the Government and their recognition of the need to support an iconic Kiwi organisation through these difficult times. We also wish to acknowledge all those organisations and individuals who supported us with grants, donations, and our fundraising efforts.

Expenses during the year were well controlled, rising by \$1.25m (6.2%) to \$21.3m. This created a surplus of \$4.77m which was a major turnaround from the deficit of \$1.4m in the previous year. To sound a note of caution though, our budget for the year ending 31 August 2022 shows a planned deficit of \$2m and we are still assessing the financial impact of the various COVID-19 restrictions and requirements.

In closing, I want to recognise and pay tribute to all the volunteers and staff who have provided such amazing service to and support of our organisation during this period of unprecedented challenge. Without all their hard mahi and dedication, Te Whānau Tupu Ngātahi o Aotearoa - Playcentre Aotearoa would be far from the organisation we are today. I am truly grateful for all they have done and continue to do. I look forward to working with them in 2022 and beyond.

Ngā mihi nui me ngā mihi aroha,

Susan Bailey

# Strategic Plan 2020–2030

Whakakaha/

Strengthen

Support

#### Whāinga/Goals

Playcentre Aotearoa will utilise robust information and trends to support and strengthen our Centres.

Playcentre Aotearoa Management will work with Centres to develop networks internally within the organisation and with external stakeholders to strengthen and support Centres and their members.

Playcentre Aotearoa will ensure that information is readily available to assist with research and to retain our stories / institutional knowledge.

#### **Strategic Priority**

Playcentre Aotearoa has data and information; this will be used to detect patterns, understand problems and determine solutions to support and strengthen Playcentres in a targeted and proportionate manner.

#### Tukunga iho/Key Outcomes

• Centres are strong and sustainable.

• Accurate historical and current information is available to Centre members, Playcentre Aotearoa Management team and Trustee Board

- Individual Centre information and overall organisational data is used to develop ongoing plans for Centres to be implemented in partnership with Playcentre Aotearoa Management
- Centres are supported and strengthened through robust internal and external networks
- We have a culture of telling our stories

#### **Ari/Increase** Visibility

#### Whāinga/Goals

Playcentre members and staff will work to reenergise and promote the Playcentre Movement

#### **Strategic Priority**

As experts in the area of learning through play for all ages, Playcentre Aotearoa will use our knowledge to increase our visibility and presence in the communities we support.

#### Tukunga iho/Key Outcomes

- Playcentres are known as the centre of the community and are the first choice for whanau.
- Playcentre members are recognised as experts in the field of learning through play for all ages

#### We have two Playcentre shops, one in Canterbury and one in Taranaki.

They stock high-quality equipment and educational resources for all areas of play and development for young children.

### "

Great selection, great prices and great staff. Love the Playcentre Shop.

The Canterbury Playcentre Shop was opened in Christchurch in 1949 to supply local Playcentres with equipment and resources. Today, that tradition continues but the Shop is now open to the public and supplies customers from all around New Zealand (and the world) through its online shop.

Playcentre Annual Report 2021 | 25

# Our programmes

-

....

1

# **Playcentre sessions**

Playcentre caters to children aged 0 – 6 years in a mixed age setting.

Playcentre endorses mixed age play and encourage tuākana-tēina relationships, as it allows children to engage and guide others, older and younger than themselves and become part of, and contribute to, society as a whole.

Older children learn how to communicate, teach, share and negotiate with empathy for their younger peers while younger children are stimulated by playing alongside, learning from and observing older peers.

Because parents, whānau and caregivers attend sessions...

# the ratio of adults to children ranges from **1:5** to **1:3**

This allows Playcentre to offer a child initiated programme based on the individual child's strengths, interests and allows for regular excursions.

Playcentre Annual Report 2021 | 28

My children have a whole village of like-minded parents who know their every like and dislike as if they were their own children, and I have beautiful friends who are like sisters and taught me how to be a mum! I am forever grateful for my village.

//

# **ERO reviews**

# Extracts from ERO reviews

#### APPLEBY PLAYCENTRE

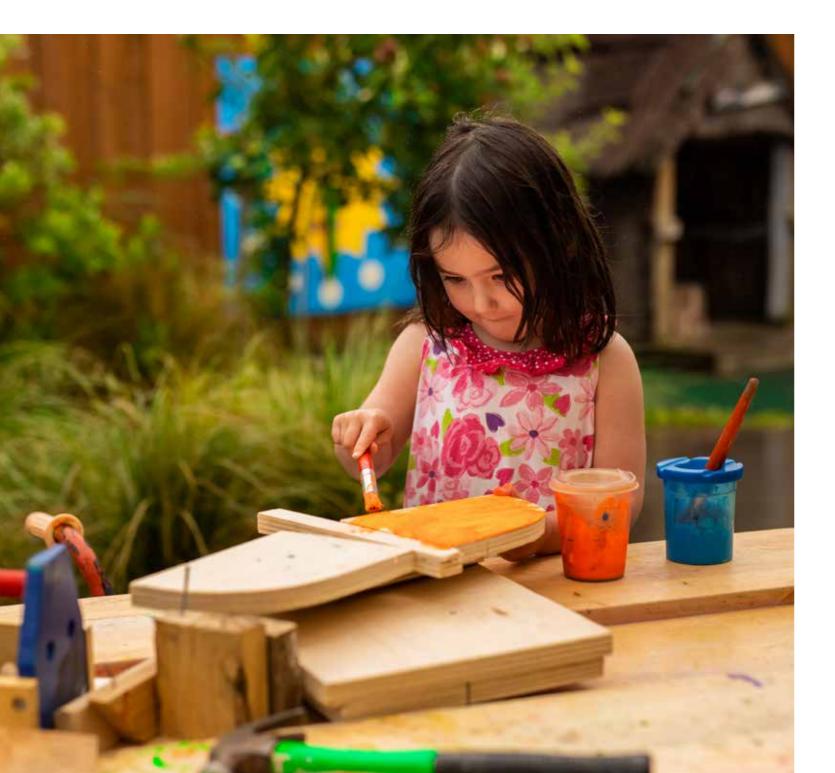

"Parents as first teachers are actively engaged in designing a curriculum for children that aims to nurture reciprocal relationships and promote social competence. Children are supported to make decisions about their play and learning within an inclusive and responsive environment. The curriculum is informed by assessment planning and evaluation processes consistent with Te Whāriki, the early childhood curriculum. The premises and facilities are resourced to support the learning and abilities of the children attending. A policy framework and annual planning guide centre operations."

#### WEST MELTON PLAYCENTRE

"The service curriculum is consistent with Te Whāriki, the early childhood curriculum. Adults providing education and care engage in meaningful, positive interactions to enhance children's learning and nurture reciprocal relationships. The daily programme is inclusive, and responsive to children as confident and competent learners. Their preferences are respected, and they are involved in decisions about their participation. The design and layout of the premises support the provision of different types of indoor and outdoor experiences. Those responsible for monitoring health and safety should continue to support the service to maintain compliance with Playcentre Aotearoa policies and the regulatory standards."

The Education Review Office (ERO) evaluates and reports on the education and care of children in early childhood services. These reviews are conducted by the Education Review Office - Te Tari Arotake Mātauranga with the purpose of looking at how an early learning service reaches positive learning outcomes - knowledge, skills, attitude and habits - for all children.

The framework is currently being updated and is evolving into Ngā Ara Whai Hua: Quality Framework for Evaluation and Improvement in Early Childhood Services. This framework includes Te Ara Poutama – indicators of quality for early childhood education: what matters most. In this framework there will be three review approaches, introduced between 2019 and 2022.

#### PYES PA, TAURANGA PLAYCENTRE

"The curriculum is inclusive and provides children with a range of experiences and opportunities to enhance and extend their learning and development, indoors and outdoors. Children are given the opportunity to develop knowledge and an understanding of the cultural heritages of both parties to Te Tiriti o Waitangi. Self review helps the service maintain and improve the quality of its education and care."

#### HALCOMBE PLAYCENTRE

"Children are supported to participate in a range of curriculum opportunities that reflect their interests. They have opportunities to develop an understanding of the dual cultural heritage of Aotearoa New Zealand. Centre members are beginning to consider how the curriculum provides a range of opportunities that encourage children to understand other cultures. Philosophy statements guide centre practices. Centre members demonstrate a collective responsibility to support all children's learning and engage in Playcentre Aotearoa parent education programmes. Playcentre Aotearoa policies and procedures are implemented and support ongoing compliance with regulation and criteria requirements."

#### CULVERDEN PLAYCENTRE

"A sense of manaakitanga and whanaungatanga is fostered through the interactions between kaiako, tamariki and parents/whānau.

Parents are valued as the first teachers of their children and regularly engage in informal and formal opportunities to contribute to children's learning.

The play-based curriculum is inclusive, and children are viewed as confident and competent learners. Kaiako and parents/ whānau promote reciprocal relationships to enhance children's learning. Equipment and materials provided are appropriate for the learning and abilities of the children attending. Centre leaders and support staff need to continue to ensure that health and safety policies and procedures are consistently followed."

# Infant programmes

#### Playcentre offers two infant programmes, Babies Can Play and Space.

These tailored sessions focus on the needs of children aged one and under and provide support and friendship with other new parents.

The programmes are run at Playcentres, giving the adults and babies the chance to make real connections during baby's first year.

#### In 2020/2021 Playcentre had:

Total number of Babies Can Play and Space programmes has increased by 21% since the previous year. Although Playcentres had to be physically closed at alert level three, we adapted our programmes and ran them on Zoom so we could continue to provide support, have discussions, and connect with whānau and pēpi.

**Playcentre has four dedicated centres that only run Infant programmes:** Nawton Family | Space Southland/Tramway | St Andrews | Lynfield

#### Youth programme

Babies Can Play at Playcentre offer a 7-week course for youth parents (13 to 19 years old) who are referred to the programme by Comcol New Zealand.

The aim of this programme is to support new parents, provide them with information and a support network.

#### //

I can honestly say it really helped save my sanity! The community and support were huge. Being able to be with other parents and caregivers who just 'get it' is invaluable. The facilitators are generous, kind, gentle and incredibly supportive. I have the fondest memories of it and regularly recommend it to anyone with a new baby.

Š

This programme is currently operating only in the Canterbury region and has an average of 10 students per week attending.

During the COVID-19 pandemic the programme did not operate under alert level four. At alert level two and alert level three the programme was adapted to be run on Zoom to ensure we could still support youth parents.

# **Playcentre Education**

Playcentre Education is approved by NZQA to provide a programme, that leads to the New Zealand Certificate In Early Childhood Education and Care, for our parents and whānau.

The NZQA programme provided for adults within Playcentre supports the informal learning taking place in a centre, leading to an expansion in

# **Professional Learning and** Development

Playcentre offer a Ministry of Education funded professional learning and development programme SELO (Strengthening Early Learning Opportunities).

#### **PROGRAMME OUTCOMES**

- Ensure effective implementation of Te Whāriki (2017).
- Strengthen leadership within Playcentres for individuals, Māori and Pasifika families.
- Strengthen internal evaluation practices within centres.

#### **CENTRE CLUSTER PROGRAMMES**

- Each programme includes three centres that are geographically close to each other allowing for wananga, workshop and other collaborative events.
- All centres in the cluster are supported to work through an internal evaluation with a strong focus on Te Whāriki.
- Where possible our facilitators work alongside centre advisors to ensure ongoing sustainability for the centre.

### LEADERSHIP PROGRAMMES (including Te Ao Māori and Playcentre Leadership)

- Leadership programmes have one of three focus areas Playcentre leadership, Māori leadership and Pacific leadership.
- The Playcentre leadership programme focuses on building on individual leadership skills within Playcentre while Māori and Pacific leadership focuses on strengthening Māori and Pacific leadership within the centre.
- All leadership programmes involve 5-7 wananga and workshops and provide follow-up visits to the individual centres.

participants

Professional Learning and Development **Facilitators** 

### //

I've seen such a positive impact within our centre on our other sessions as the members who attend the Te Ao Māori session feel comfortable greeting in Te Reo, singing waiata and we are now very much looking forward to our Matariki whānau event.

# Te Ao Māori

6

# Te Ao Māori

Playcentre continues to work with Māori to improve engagement, participation and educational goals, as well as opportunities to increase understanding of Te reo me ona tikanga Māori within the organisation.

Through the education and professional learning and development programmes, plus continued efforts by regional offices and centres to include te reo me ona tikanga Māori lessons has seen an increased understanding of Māori culture and an increase in Māori language use and tikanga Māori practices by staff, volunteers and Playcentre members. Through marae visits Playcentre staff

and centre members have enhanced Māori stakeholder engagement by forming meaningful and sustainable community relationships with hapū and iwi through centre visits to marae and inviting tangata whenua to centres to share their local knowledge.

Māori tamariki account for of children enrolled in

Playcentre sessions nationwide

Playcentre's Professional Learning and Development team deliver two leadership programmes to centres nationwide. These are the Māori leadership programme and the Playcentre leadership programme.

The Māori leadership programme focuses on strengthening an understanding of a Te Ao Māori world view and both programmes include Te Ao Māori values and understandings.

Playcentre encourages our parentled centres to incorporate Te reo me ona tikanga Māori in creative ways through play at centre level.

In 2020-2021 of centres ran Te reo 10% Māori sessions

### In 2020/2021 there was a total of

320 participants in the leadership programmes The Playcentre Education team reviewed, and implemented an education curriculum which is more relevant for Māori communities.

**B404.1** delivered 519 workshops nationwide with 5,426 attendees (including online).

#### Mana Whenua | Belonging:

Whānau Māori in Playcentre, Using Karakia, Kaupapa, Tikanga and Kawa, Playcentre Tikanga and Kawa, Introducing the Pepeha, Ngā Mana Whenua o Aotearoa, The Welcoming Process, Whakataukī or Whakatauākī. Tapatapa Whenua, Components of place names, Why Focus on Te Reo Māori? Language, Kaupapa Māori.

**B404.3** delivered 151 workshops nationwide with 2,131 attendees (including online).

#### **Exploring Te Reo Māori:**

Kaupapa Māori, Our Values, Our Beliefs, Our Views, Introducing welcoming processes, Pōhiri, The New Zealand Playcentre Federation – Te Tiriti o Waitangi Framework.

12,631 attendees in our Te Ao Māori workshops

**B404.2** delivered 340 workshops nationwide with 3,391 attendees (including online).

#### Introduction to Te Ao Māori:

Teaching, Learning and Assessment, Learning and Growth Programmes, Males and Females, Kaupapa Māori, Bicultural Assessment in Action.

**B404.4** delivered 296 workshops nationwide with 1,683 attendees (not available online).

#### Using Te Reo Māori in **Playcentre:**

Making Te Ao Māori visible, Inspiring Te Reo Māori and Tikanga Māori, Land and Buildings, Whakataukī for reflection.

(attributed to introducing online workshops).

# Property

# Total value of land & building portfolio = \$32,584,057

| Freehold land & buildings | Leased/occupied land & buildings |
|---------------------------|----------------------------------|
| 243                       | 173                              |

### **Pokeno Playcentre**

In the 2020/2021 year, to make room for 12 new classrooms at Pokeno Primary School, the Ministry of Education built a new Playcentre from two prefab classrooms at the end of the school area and relocated Pokeno Playcentre there.

#### //

Pokeno Playcentre has been part of our local community for more than 50 years, now we can continue this with our amazing new purpose-built centre.

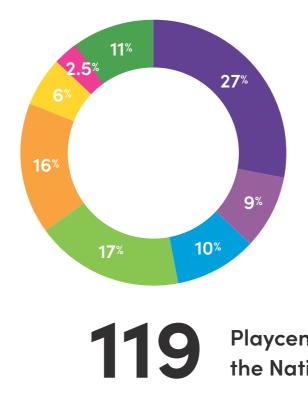

## Property make up

| Land<br>\$11,177,000 | Freehold/Lease-<br>hold buildings<br>\$21,407,057 | Other assets<br>\$5,227,181 |
|----------------------|---|-----------------------------|
|----------------------|---|-----------------------------|

Repairs & Maintenance spending = \$1,702,542 Capital spending = \$1,075,662

The Ministry of Education funded the cost of half of our Centres to be surveyed. Immediate works were carried out as result of the surveys to a cost of \$22,726 with approval of up to \$306,400 worth of work in the future.

## **National Property Fund Grants Approved** for Each Project Purpose

#### Playcentres benefited from the National Property Fund

# Our community

# For the whole whanau

Mums, dads, and all whanau including grandparents, aunties and uncles, and other caregivers are welcome to attend Playcentre with the children.

This means our children develop supportive relationships with a range of adults, and it also adds to the rich array of experiences available as different adults bring new things to the play table.

#### **Fathers attending Playcentre**

Playcentre was established in 1941 to support mothers. It goes without saying that parenting styles have changed a lot over the past 80 years.

Today, in 2021, fathers often attend Playcentre and make up a significant portion of volunteers.

#### //

Being a Playcentre dad comes with a lot of awesomeness. I get to watch my children being social and independent, I get to participate in their play, I get to witness their learning.

#### **Grandparents attending Playcentre**

Playcentre recognises and celebrates Grandparents Day | Te rā o ngā tupuna each year.

Both grandparents who are acting as primary caregivers, and grandparents who simply want to spend more time with their grandchildren often attend Playcentre sessions.

// I'm very happy I came here, I chose the correct place. I felt my

Grandson was not mixing with other kids, which he is now.

# Involvement in Communities

Playcentres are a hub and gathering place for their local communities, providing a space and resources for whānau, pēpi, tamariki, groups and other organisations. This fosters collaboration and strengthens relationships within the community.

of our centres lease to home based ECE providers

Ś

of our centres throughout Aotearoa are regularly hired out to community groups such as Toy Library, Music Groups, Community Playgroups, Plunket and home based ECE carers.

Playcentre Annual Report 2021 | 52

# Our volunteers

211

# **Our volunteers**

Through the act of volunteering, we help form strong communities, people learn transferrable skills, build friendships and relationships.

On behalf of the children and their families who will benefit from Playcentre we would like to thank everyone for all they do.

Playcentre could not function without all of those who volunteer. Our volunteers are an integral part of Playcentre philosophy, providing invaluable support to our centres, other volunteers, tamariki and pepi.

Volunteers at Playcentre support individual centres by taking on an officeholder area in their centre. The roles and professional development opportunities at each centre include:

President | Secretary | Treasurer | Education Bi-cultural | Health and Safety | Enrolments Property | Equipment | Policy | Employment Public Relations | Library and many others.

Playcentre offers office holder workshop and training for specialised areas (for example accounting programme support and training for our volunteer treasurers).

valued vo unteers\*

\*Recorded in our enrolment system as supporting Playcentres throughout Aotearoa.

I came into the Playcentre environment with a variety of management skills, but found the Playcentre environment an incredible opportunity to explore and deepen my understanding of leadership, decision making and the importance of teamwork. The skills I developed were a key component of me securing my next step in my career.

# Financials

Te Whānau Tupu Ngātahi o Aotearoa Playcentre Aotearoa

# **Entity Information**

For the year ended 31 August 2021

# Legal Name of Entity

Te Whānau Tupu Ngātahi o Aotearoa Playcentre Aotearoa

## **Reporting Entity and Structure**

Te Whānau Tupu Ngātahi o Aotearoa Playcentre Aotearoa ("Playcentre Aotearoa") is registered under the Charities Act 2005 (CC55368). These financial statements comprise the National Organisation ("Operations"), 431 individual Playcentres, Programmes and Shops as listed in Appendix A together referred to as "Playcentre Aotearoa".

### Entity's Purpose or Mission

The underlying philosophy of Te Whānau Tupu Ngātahi o Aotearoa Playcentre Aotearoa is: "Whānau tupu ngātahi – families growing together".

Our Mission Statement is:

Playcentre is a family organisation

- Where adults and children are empowered to work, play, learn and grow together;
- Where Te Tiriti o Waitangi is honoured and people's uniqueness is celebrated;
- Where parents are affirmed and valued as first and best educators of their children.

So that whanau are strengthened and communities are enriched.

## **Trustee Board Members**

Gemma Scott - elected 27/11/21

#### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TE WHĀNAU TUPU NGĀTAHI O AOTEAROA PLAYCENTRE

#### **Qualified Opinion**

We have audited the financial statements of Te Whānau Tupu Ngātahi o Aotearoa Playcentre Aotearoa ("Operations") and the consolidated financial statements of Operations and its controlled entities (together, "Playcentre Aotearoa"), which comprise the Operations' and consolidated statement of financial position as at 31 August 2021, and the Operations' and consolidated statement of comprehensive revenue and expense, Operations' and consolidated statement of changes in net assets/equity and Operations' and consolidated cash flow statement for the year then ended, and notes to the Operations' and consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying Operations' and consolidated financial statements present fairly, in all material respects, the Operations' and consolidated financial position of Playcentre Aotearoa as at 31 August 2021, and the Operations' and consolidated financial performance and the Operations' and consolidated cash flows for the year then ended in accordance with Public Benefit Entity Standards Reduced Disclosure Regime ("PBE Standards RDR") issued by the New Zealand Accounting Standards Board.

#### **Basis for Qualified Opinion**

In common with other similar organisations, controls over donations and fundraising income received prior to being recorded is limited, and there are no practical audit procedures to determine the effect of this limited control. Accordingly, the completeness of donations and fundraising income is unable to be determined.

We conducted our audit in accordance with International Standards on Auditing (New Zealand) ("ISAs (NZ)"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of Operations and Playcentre Aotearoa in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand)* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the Operations or Playcentre Aotearoa.

### Other Information

The Trustees are responsible for the other information. The other information obtained at the date of this auditor's report is information contained in the annual report but does not include the Operations and consolidated financial statements and our auditor's report thereon.

Our opinion on the Operations' and consolidated financial statements does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the Operations' and consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Operations' and consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

BDO Wellington Audit Limited

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Trustees' Responsibilities for the Operations' and Consolidated Financial Statements

The Trustees are responsible on behalf of Operations and Playcentre Aotearoa for the preparation and fair presentation of the Operations' and consolidated financial statements in accordance with PBE Standards RDR, and for such internal control as the Trustees determine is necessary to enable the preparation of Operations and consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the Operations' and consolidated financial statements, the Trustees are responsible on behalf of Operations and Playcentre Aotearoa for assessing the Operations' and Playcentre Aotearoa's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Operations and Playcentre Aotearoa or to cease operations, or have no realistic alternative but to do so.

#### Auditor's Responsibilities for the Audit of the Operations and Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Operations' and consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these Operations and consolidated financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the External Reporting Board's website at: https://www.xrb.govt.nz/assurancestandards/auditors-responsibilities/audit-report-7/.

This description forms part of our auditor's report.

#### Who we Report to

This report is made solely to the abbreviation's members, as a body. Our audit work has been undertaken so that we might state those matters which we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the abbreviation and the abbreviation's members, as a body, for our audit work, for this report or for the opinions we have formed.

800 Wellington Audit Limited

The above statement should be read in conjunction with the accompanying notes.

Te Whānau Tupu Ngātahi o Aotearoa – Playcentre Aotearoa

# Notes to and Forming Part of the Financial Statements

For the year ended 31 August 2021

# Note 1 - Reporting Entity

Te Whānau Tupu Ngātahi o Aotearoa Playcentre Aotearoa ("Playcentre Aotearoa") is incorporated under the Charitable Trusts Act 1957. The Operations is the "controlling entity" of the Playcentre Aotearoa, for accounting purposes. The Playcentre Aotearoa financial statements comprise all entities listed within Appendix A.

# Note 2 – Summary of Significant Accounting Policies

## (a) Statement of compliance

The financial statements comply with the Public Benefit Entity Standards Reduced Disclosure Regime ("PBE Standards RDR") as appropriate for Tier 2 not-for-profit public benefit entities, and disclosure concessions have been applied. These financial statements have been prepared in accordance with NZ GAAP.

Playcentre Aotearoa qualify as Tier 2 reporting entities, as for the two most recent reporting periods they are not publicly accountable and not large (operating expenditure has been between \$2m and \$30m in the current and prior year for Playcentre Aotearoa).

These financial statements were authorised for issue by the Trustee Board on 17 February 2022.

### (b) Measurement base

The financial statements have been prepared on the basis of historical cost.

## (c) Functional and presentation currency

The financial statements are presented in New Zealand dollars (\$) which is Playcentre Aotearoa's functional and presentation currency, rounded to the nearest dollar.

There has been no change in the functional currency of the entity during the year.

## (d) Use of judgement and estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, revenue and expenses. Actual results may differ from those estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

#### Land and buildings

Completeness of land and buildings has been established through land title searches for all properties owned by the Playcentre Aotearoa.

## (e) Basis for consolidations

The Playcentre Aotearoa controls the Operations, 431 Playcentres and other entities. While control has been determined based on the requirements of PBE standards, it is important to note that each entity has a significant level of local control and self-determination.

Entities within the Playcentre Aotearoa comprise a wide variety of size and accounting capacity. Most entities rely upon volunteer treasurers and so to implement new accounting processes will require significant resources and support. There is currently some variability in the application of accounting policies across the Playcentre Aotearoa. However, these matters are not considered to be material to the Playcentre Aotearoa. This variability is expected to reduce over time as standardised accounting policies and systems are implemented.

The consolidated financial statements are prepared by adding together like items of assets, liabilities, equity, revenue and expenses of entities in the Playcentre Aotearoa on a line-by-line basis. All intra-entity balances, transactions, revenues and expenses are eliminated on consolidation. The financial information of all entities are prepared for the same reporting period.

The consolidated Playcentre Aotearoa financial statements comprise all entities where the Playcentre Aotearoa has the capacity to govern the financial and operating policies, so as to benefit that entity's activities.

## (f) Revenue recognition

### Ministry of Education - ECE revenue

MoE ECE revenue to the Playcentre Aotearoa is recognised in the period it is earned. An adjustment has been recognised to account for MoE ECE revenue accrued to balance date and a liability for revenue earned in advance.

MoE ECE revenue is not recorded as revenue in the Operations, except for Programme Funding, as there is an agency relationship with Centres. Conversely an adjustment has not been recognised to account for bulk funding accrued to balance date. Rather a net adjustment to recognise the levy portion to balance date is included. The Bulk Funding Advances represent amounts which do not belong to the Operations but are held on behalf of Centres, and are recorded as a liability on the Statement of Financial Position until paid to the Centres.

Programme Funding is income generated by Operations for programmes run by Operations, or partially by Operations. These programmes are held at centres, and are paid via MOE bulk funding. Programme Funding is calculated and paid by the MOE based on the number of Funded Child Hours at each session. This is not eliminated on consolidation, and an adjustment is required to accrue for Programme funding to be received, and advances already received to balance date.

### Levies revenue

Levies are charged to the centres by the Operations for general overheads and administration activities performed on the centres behalf. These are charged at 50% of the MOE Funded Child Hours revenue earnt by centres after deducting the programmes funding earned by the Operations.

Similarly to MOE FCH Revenue, an adjustment has been recognised to account for Levies accrued to balance date, and a liability for the revenue earned in advance.

### Education revenue - TEC

Playcentre Aotearoa receive training grants from the Tertiary Education Commission ("TEC"). These grants are recognised in the period they are earned.

#### Grants, donations and fundraising revenue

All other grants and donations are recognised when they are received.

The recognition of non-exchange revenue from Grants, Donations and Fundraising depends on the nature of any stipulations attached to the inflow of resources received, and whether this creates a liability (i.e. present obligation) rather than the recognition of revenue.

Stipulations that are 'conditions' specifically require the entity to return the inflow of resources received if they are not utilised in the way stipulated, resulting in the recognition of a non-exchange liability that is subsequently recognised as non-exchange revenue as and when the 'conditions' are satisfied.

Stipulations that are 'restrictions' do not specifically require the entity to return the inflow of resources received if they are not utilised in the way stipulated, and therefore do not result in the recognition of a non-exchange liability, which results in the immediate recognition of non-exchange revenue.

#### Sale of goods

Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates. Revenue is recognised when the significant risks and rewards of ownership have been transferred to the customer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably.

## (g) Accrued revenue

Accrued revenue is stated at their estimated realisable value. Unrecoverable debts are written off when recognised.

## (h) Investments

Deposits at registered banks are measured at amortised costs using the effective interest rate method.

## (i) Property, plant and equipment

Items of property plant and equipment over \$2,500 are initially recorded at cost or, in the case of donated assets, are initially recorded at their fair value as their deemed cost at initial recognition. Initial cost includes the purchase cost, or fair value as the case may be, and those costs that directly relate to bringing the asset to the location where it will be used, and making sure it is in the appropriate condition necessary for its intended use. Items of Property, Plant and Equipment are subsequently measured at cost, less accumulated depreciation and impairment. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate assets (major components) of property, plant and equipment. Any gain or loss on disposal of an item of property, plant and equipment (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in surplus or deficit. Ongoing repairs and maintenance are expensed as incurred.

## (j) Depreciation

Depreciation is calculated to allocate the item of property, plant and equipment cost less estimated residual value over their estimated useful lives of each component of an item of property, plant and equipment. Property, plant and equipment are depreciated on a straight line basis. Leased assets are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the entity will obtain ownership by the end of the lease term. Assets under construction are not subject to depreciation.

Depreciation methods, useful lives, and residual values are reviewed at reporting date and adjusted if appropriate. Land is not depreciated.

The useful lives used for straight line depreciation are:

| Building Improvements              | 50 years   |
|------------------------------------|------------|
| Computers (and computer equipment) | 2-5 years  |
| Furniture Fittings and Equipment   | 2-15 years |
| Centre assets                      | 2-15 years |

## (k) Employee entitlements

Short-term employee benefit liabilities are recognised when the entity has a legal or constructive obligation to remunerate employees for services provided up to reporting date for which settlement will occur within 12 months of reporting date, and are measured on an undiscounted basis and expensed in the period in which employment services are provided.

## (I) Donated services

The work of Te Whānau Tupu Ngātahi o Aotearoa Playcentre Aotearoa is dependent on volunteer activity. Because of the difficulty of determining their value with reliability, donated services are not recognised in these Financial Statements. However, these donated services are acknowledged as a major contribution to Playcentre Aotearoa's operations.

## (m) Goods and Services Tax

All amounts are shown exclusive of Goods and Services Tax (GST) except for Accounts Receivable, Accounts Payable and Funds Held on Behalf, which are stated inclusive of GST. Any GST payable or refundable at balance date is shown in the Statement of Financial Position.

## (n) Taxation

Playcentre Aotearoa have been granted charitable status by the Inland Revenue Department and are considered to be exempt from taxation. No taxation has been provided for in the Financial Statements.

## (o) Reserves or tagged funds

Reserves or Tagged Funds are reserves established by and Playcentre Aotearoa for special purposes. Playcentre Aotearoa may alter these funds without reference to any other party. Revenue and expenditure relating to the Funds are accounted for in the Statement of Comprehensive Revenue and Expense, therefore the reserves are an attribution of accumulated revenue and expenses.

## (p) Inventory

Stock on Hand is measured at the lower of cost and net realisable value. The cost of stock on hand is based on the first-in, first-out principle. Inventory is then subsequently measured at the lower of cost or net realisable value. The net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

## (q) Leases

Operating lease payments, where the lessors effectively retain substantially all the risks and benefits of the ownership of the leased items, are recognised on a straight line over the lease term.

## (r) Impairment of Assets

Property, Plant and Equipment where an owned building is situated on leased land is tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, the age and condition of the building, as well as the period remaining on the lease is taken into consideration. Property, Plant and Equipment that suffered an impairment is reviewed for possible reversal of the impairment at the end of each reporting period.

## (s) Cash and Cash Equivalents

Cash and cash equivalents in the statement of financial position comprise cash at bank and in hand and short term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. For the purposes of the statement of cash flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts.

## (t) Financial instruments

### Financial assets

Playcentre Aotearoa's financial assets include cash and cash equivalents, trade and other receivables and term deposits. Playcentre Aotearoa's financial assets are classified as loans and receivables, and are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset.

After initial measurement, financial assets are subsequently measured at amortised cost using the effective interest rate method, less impairment. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Interest is calculated using the effective interest rate method.

#### Impairment of financial assets

Playcentre Aotearoa assesses, at each reporting date, whether there is objective evidence that a financial asset or a group of financial assets is impaired. An impairment exists if one or more events that has occurred since the initial recognition of the asset (an incurred 'loss event') has an impact on the estimated future cash flows of the financial asset or the group of financial assets that can be reliably estimated.

Collectability of trade receivables is reviewed on an ongoing basis at an operating unit level. An impairment allowance is recognised when there is objective evidence that Playcentre Aotearoa will not be able to collect the receivable. Financial difficulties of the debtor, default payments or debts more than 60 days overdue are considered objective evidence of impairment.

The amount of any impairment loss identified is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future expected credit losses that have not yet been incurred). Interest revenue continues to be accrued on the reduced carrying amount and is accrued using the rate of interest used to discount the future cash flows for the purpose of measuring the impairment loss. Individual trade receivable balances that are known to be uncollectible are written off when identified, along with associated allowances.

If, in a subsequent year, the amount of the estimated impairment loss increases or decreases because of an event occurring after the impairment was recognised, the previously recognised impairment loss is increased or reduced by adjusting the allowance account. If a write-off is later recovered, the recovery is credited to finance costs in the statement of financial performance.

### **Financial liabilities**

Playcentre Aotearoa's financial liabilities comprise trade and other payables. Trade and other payables are recognised initially at fair value, net of directly attributable transaction costs. After initial recognition, trade and other payables and interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method.

Trade and other payables are unsecured and are usually paid within 30 days of recognition. Due to their short-term nature they are not discounted.

## Note 3 – Revenue

|  | Operations |           | Playcentre Aotearoa |           |
|--|------------|-----------|---------------------|-----------|
|  | 2021       | 2020      | 2021                | 2020      |

**Impairment:** Leasehold buildings are reviewed for impairment annually, or if there is a change in circumstances that indicates that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, the leasehold buildings are valued based on the age and condition of the building, as well as the period remaining on the lease. Playcentre Aotearoa reviewed all properties for signs of impairment. An impairment review was undertaken on unoccupied buildings to consider if the organisation would be able to recover the value of building where it did not own the corresponding land and on properties held for sale. This review resulted in impairment of \$137,240 was recognised.

#### (b) Contingent Liabilities

During the year a prior commitment made to Mount Maunganui Playcentre was discovered. The (then) NZ Playcentre Federation had commited to contribute \$200K towards the building of a new Centre in Mount Maunganui. The Trustee Board agreed to honour this commitment in May 2021, contingent on supporting documentation being presented, and this was confirmed in September.

Playcentre Aotearoa own a number of buildings and property improvements on land that is leased from third parties. At the conclusion of these leases, there is a possible obligation to restore or "make good" the land to some extent. At the present time the timing, extent and occurrence of the obligation is uncertain due to historically not having made good on these obligations due to buildings being re purposed by Playcentre Aotearoa or a third party. The Trustee Board have asserted the possibility of making good is remote and therefore no liability has been recognised in the financial statements.

Playcentre Aotearoa is currently reviewing the taxation impact of the Amalgamation. There is a possibility that, as a result of this, changes may be required to the way GST is calculated on bulk funding income. If this is the case, the changed GST treatment may be applied to prior years and a significant GST liability may arise. Given the uncertainties around possible outcomes, it is not possible to quantify any potential liability, should there be one, at this time.

In addition to these Special Projects Funds, the Trustee Board have set aside funds received from the sale of property to deal with future property issues. This includes proceeds from the sale of the former King Country Association office, the former NNI Regional Office, and property at Matiere and Mataura. These funds currently total \$821,865.

# Note 9 – Funds Held on Behalf

MOE advanced funding held on behalf of centres

Funds held on behalf of centres represent the bulk funding received from MoE in advance of the bulk funding period. This is held by Operations until the following bulk funding round when it is paid based on actual attendance numbers to centres.

# Note 10 – Financial Assets and Financial Liabilities

| Financial assets:           |            |            |            |            |
|-----------------------------|------------|------------|------------|------------|
| Cash on hand                | 3,761,317  | 4,212,519  | 16,373,788 | 16,014,340 |
| Trade and other receivables | 273,911    | 294,204    | 59,412     | 90,999     |
| Term deposits               | 12,369,955 | 7,649,998  | 13,878,175 | 8,948,329  |

# Note 11 – Related Party Transactions

We acknowledge that transactions between centre members and their family connections take place often resulting in products or services being received at discounted prices or by donation. All large property transactions with related parties are reviewed by Operations prior to approval for the project to proceed.

## Note 12 – Key Management Remuneration

\*6 Board members signifies the 5 current members plus the 1 outgoing member. Honoraria is paid retrospectively and on a pro-rata basis which allows us to maintain the agreed Honoraria amount.

#### The total remuneration of the senior management group is as follows:

| Total Remuneration | 614,829 | 494,862 | 614,829 | 494,862 |
|--------------------|---------|---------|---------|---------|
| Number of FTE*     | 4.9     | 4.7     | 4.9     | 4.7     |

\*Total remuneration reflects costs to the organisation during the financial year, while FTE reflects the position at 31 August 2021

# Note 13 – Assets brought in from Centres and Associations

#### 2021

During the 2020/21 year 3 group entities were closed and equity was transferred to the Operations. Waihi Playcentre was brought into the Group Consolidation in 2020/21 with opening equity of \$45,331 after being excluded in error from previous Group consolidations.

Ś

|                               | Ŷ       |
|-------------------------------|---------|
| Centre closure funds received | 100,141 |

#### 2020

During the 2019/20 year nine group entities were closed and equity was transferred to the Operations. On 1 November the Canterbury Playcentre Shop was transferred out of Operations to become its own entity within the consolidated group.

# Note 14 – Events After the Balance Date

On the 17th of August 2021 all of New Zealand entered a Level 4 lockdown due to Covid 19 in the community, resulting in the temporary closure of all Playcentres. This closure continued after 31st August, until most of New Zealand moved to Alert Level 2 on 7th September, although Auckland Playcentres remained closed as the region was still at Alert Level 4 or 3 through September and into October. The Waikato region Playcentres also had to temporarily close during October and November. During these lockdowns, the Ministry of Education have paid full child entitlements based on enrolments rather than attendance, resulting in Playcentre's core funding remaining stable. Other funding streams such as fees and donations, fundraising and Grants income have not been significantly impacted in 2020/21, but this is uncertain for 2021/22. There is the potential for loss of revenue in 2021/22 if ECE's are allowed to open while Covid 19 is in the community, as members, along their children, may choose not to attend. This could result in loss of funding for these children as well as some Centres being unable to operate all rostered sessions while meeting supervision requirements. The government has not yet indicated how funding would work in these circumstances, although funding has been guaranteed at 90% of the estimated level until the end of Term 4 2021.

On the 11th of October 2021 the government announced a Vaccine Mandate for all staff and volunteers working in Early Childhood Education. This Health Order, which effectively applies to all Playcentre members, has resulted in a number of members and their children leaving Playcentre, as well as several staff. The full financial impact of the Vaccine Mandate is not yet able to be calculated but is likley to decrease income in the 2021/22 year due to lower numbers of enrolled children in Term 1 2022 and potentially beyond.

Wyndham Playcentre

Aotearoa – New Zealand

Awhi – caring, embracing

**Hapū** – pregnant or subtribes

He aha te mea nui o te ao? He tangata! He tangata! He tangata! - What is the most important thing in the world? It is people! It is people! It is people!

**Iwi** – extended kinship group or tribes

Kaiako – teacher

Kaimahi – employee

Karakia – a set form of words to state or make effective a ritual activity

Kaupapa – topic, matter of discussion

Kawa – customs

Mahi – work

Mana – status, power, prestige

Mana Whenua – power associated with possession and occupation of tribal land

**Motu** – island

**Pepeha** – reciting genealogy

Pēpi – baby

**Pōwhiri** (often pronounced Pōhiri by Ngā Puhi) - ritual of encounter, formal welcome ceremony

Tamariki – children

Tangata whenua - people of the land

**Tapatapa Whenua** – naming of land

Te Ao Māori – the Māori worldview

**Te Reo Māori** – the Māori Language

Te reo me ona tikanga Māori – the Māori language and customary system of values and practices

Te Whāriki – weaved mat

**Tēnā rawa atu koe** – thank you very much

Tikanga – custom, practice, protocol

Tuākana-Tēina - the relationship between an older sibling (Tuākana) and a younger sibling (Tēina)

**Wānanga** – learning forum

**Whakatauākī** – proverb where the author is known

**Whakatauki** – proverb where the author is unknown

Whānau – family (Playcentre context)

Whanaungatanga – kinship, sense of family connection, a relationship through shared experiences and working together which provides a sense of belonging

Whānau tupu ngātahi – families growing together

Whenua o Aotearoa - land of New Zealand
