

Getting Started with

PE1 Ūkaipōtanga – Let's Play

Te Wāhanga Mātauranga | Playcentre Education offers a programme to award the **NZ Certificate in Early Childhood Education and Care (Level 4)**. All new ākonga learners start with the first module **PE1 Ūkaipōtanga – Let's Play**.

In PE1 Ūkaipōtanga – Let's Play we cover:

- The importance of learning through play
- A basic intro to the NZ early learning curriculum
- How to write learning stories
- Setting up portfolios/profile books
- Our role in guiding and supporting children's learning through play
- Hands on ideas for setting up and supporting play at home and at Playcentre

PE1 is available through three delivery formats:

- ✓ Face-to-face workshops
- ✓ Webinar workshops (interactive, online)
- ✓ Self-directed online learning (videos, readings and online discussions)

Ūkaipōtanga is being able to ground yourself to the land. Ūkaipō are the places where we find ourselves, the place where we belong, where we find strength and energy; places where we count and are important; places where we contribute.

The aim of PE1 Ūkaipōtanga – Let's Play is to help you settle into Playcentre, to develop a sense of belonging and to help you contribute to the Playcentre community as a whānau kaiako/parent educator. By the end of PE1, we hope you feel that Playcentre is a place of ūkaipōtanga for your whānau.
