

# Welcome to our Village

# Playcentre

As Playcentre is parent-led, it is acceptable for all adults to get involved in promoting the positive behaviour of your child and others.

The basic rules are .....

We care for each other  
We respect each others play  
We care for equipment

We do .....

Allow children to be involved in all areas of play  
Role model positive language towards all children and adults

Some helpful hints for intervention

Ask yourself, is the child hungry, thirsty or tired  
Remain calm and patient, get down to their level  
See if they can resolve the situation between themselves  
Join in and try fantasy or humour to create a distraction  
Re-direct the child to another toy or activity
