

# Safety in Carpentry

Adult **1:2** Children

1.1 may be needed when children are new to carpentry/skills

**MUST BE WORN**

**Closed Shoes**

Adults & children  
at all times

**MUST BE WORN**

**Safety Glasses**

Adults & children  
Hammering & Drilling

**ONLY WHEN LOUD**

**Ear Muffs**

Adults & children  
if sensitive to noise

**Keep little hands occupied**

One hand on the bench away from the saw/hammer  
Two hands on an electric drill at all times

**Hair up and no loose clothing**

especially when using an electric drill

**Show and tell first**

how to carry the tool, hold it correctly and use it safely

During session, if supervision is inadequate, close carpentry and call for help. Keep control of the environment.
