

# MediTrain Provision of First Aid Training

PROPOSAL FOR  
PLAYCENTRE AOTEAROA

# Executive Summary

MediTrain offers over 30 years of specialised first aid training experience to early childhood education centres in New Zealand. This proposal aims to deliver tailored, NZQA, WorkSafe New Zealand and Ministry of Education accredited first aid courses, specifically designed for childcare environments. Our approach equips educators with the necessary skills and confidence to effectively respond to emergencies.

Our training modules are developed with a focus on practical, real-world scenarios relevant to early childhood settings, ensuring that staff can apply their skills confidently. Our team of expert instructors, all with backgrounds in paramedicine or nursing (or similar), brings a depth of experience to each course.

With MediTrain, Playcentre Aotearoa will gain a training partner committed to enhancing safety and emergency preparedness in childcare, directly contributing to the well-being of both staff and children.

## About MediTrain

Founded in 1984, MediTrain stands as a leader in first aid training across New Zealand. We are dedicated to providing interactive, hands-on training experiences, designed to meet the varied learning needs of individuals. Our nationwide presence, bolstered by a team of expert instructors and a customer-centric philosophy, ensures top-tier educational standards.

## Key Highlights:

- ✓ Over 30 years of experience in delivering Workplace and Childcare First Aid courses.
- ✓ All courses are NZQA, WorkSafe New Zealand and Ministry of Education approved.
- ✓ Customised training materials, all developed locally in New Zealand.
- ✓ Registered as a PTE with the highest possible category rating from NZQA.

# How We Are Different

## Cost-Effective Solutions with Group Discounts

Our Comprehensive Workplace and Childcare (Level 2) First Aid courses are competitively priced at \$220 (including GST), representing significant value. To further support Playcentre Aotearoa, we are offering a tailored corporate partnership. This includes a 10% discount for members, effectively reducing the per-student cost to less than \$200.

This special rate is part of our corporate booking programme, designed for Childcare and educational institutions. This arrangement not only offers financial benefits but also ensures consistent first aid training standards across your centres.

### Compare Our Prices

## First Aid Course Comparison

**ST JOHNS \$275**

- ✓ 12 hours in classroom (1.5 days)
- ✓ Limited days/time available

**MEDITRAIN \$198**

- ✓ We can come to you

**RED CROSS \$235**

- ✓ Blended Study options
- ✓ Limited days available

Pricing is for Comprehensive Childcare First Aid and covers NZQA 6400, 6401 and 6402

## Tailored Course Design

MediTrain's courses are uniquely designed in New Zealand, with all materials – including presentations, manuals, and videos – produced locally. This ensures the content is directly relevant and engaging for our students.

## Expert Instructors with Real-World Experience

Our instructors are not just trainers; they are professionals with backgrounds as paramedics or nurses (or similar), bringing real-world experience to the classroom. This experience is invaluable in delivering first aid training that is both practical and applicable. They understand the importance of making learning engaging and interactive, focusing on participation to enhance knowledge retention.

Our team is trained to accommodate various learning needs and is attuned to cultural sensitivities, ensuring an inclusive and supportive learning environment.

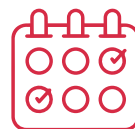

## Comprehensive Childcare Focus

Recognising the specific first aid requirements in childcare, we offer tailor-made courses that go beyond basic workplace first aid. These courses are structured to ensure that childcare workers meet NZQA standards and are prepared for emergencies in both family and community settings. Our childcare courses include scenarios specifically designed for child and infant casualties.

## Local Support and Flexibility

Our corporate support team, based in Onehunga, Auckland, is always ready to assist with any queries, providing a personal touch to our service.

## Flexible Training

Understanding the constraints of taking time off for training, we offer blended courses, combining 4 hours of online self-directed study with a full day of in-person training. This flexibility is especially beneficial for employers and employees in the education sector.

# Our First Aid Courses

**Notes: These prices are exclusive to the Playcentre Aotearoa and members if you join our Corporate Partner program.**

*Prices as of 1 Jan 2024*

Our courses are designed to cater to a variety of needs, from basic workplace first aid to comprehensive childcare-specific training. Each course provides a blend of theoretical knowledge and practical skills, ensuring your staff are well-prepared and confident.

## Basic Workplace First Aid

**\$149**

Ideal for low-risk environments, includes essential first aid skills, and spans 5.5 hours of class plus 4 hours of self-study.

## Comprehensive Workplace First Aid

**\$198**

Covers a broader spectrum of scenarios, particularly suited for high-risk work environments.

## Comprehensive Childcare First Aid

**\$198**

A one-day programme designed for early childhood workers, aligning with specific industry requirements.

## Recertification Course

**\$122**

A concise course for updating and refreshing first aid knowledge and skills.

**All Prices include GST.**

## How to Book with Us

Booking a course with MediTrain is straightforward. Our courses are available seven days a week, from 8.30am to 5.00pm, catering to busy schedules. We also offer a streamlined process for group bookings and tailored training solutions. Our online booking system is simple and easy to use.

Partnering with MediTrain means equipping your staff with essential, life-saving first aid skills, delivered through high-quality, accredited courses. Our commitment to excellence in first aid education ensures that every individual trained with us is not only certified but also confident and competent in emergency response.
